**Full Membership fees will be used towards a Stewardship Plan that represents the members of Electronics Stewardship Manitoba and creates a system that will address the upcoming electronic waste regulations in Manitoba. Associate Members will be advised of pertinent information but will not have full member benefits and not be represented under the ESM Stewardship Plan. Details are on the reverse.**

### **Full Member**

**ESM seeks to represent the majority of the sellers, resellers and manufacturers of electronic consumer products in Manitoba. Full ESM members will be recognized as members in good standing and receive representation in the ESM plan for electronic waste management. Specific membership benefits include:**

- **Membership in Electronic Stewardship Manitoba (ESM), the designated organization for electronics stewardship in Manitoba.**
- **As a Full Member your business will be fully represented in the ESM Stewardship Plan and will *not be* required to write a separate stewardship plan.**
- **An opportunity to participate in the business planning process, ensuring fair and equitable policies are put in place that benefit the manufacturer, the sellers and resellers, recyclers, consumers, and the environment.**
- **Timely updates of new and important information on the Manitoba Government's Household Hazardous Waste (HHW) program.**
- **Access and participation in the planned single source governance, waste collection and levy contribution model.**
- **Participation in a Manitoba wide stewardship solution to electronic waste materials that was designed in consultation with the electronics industry, Manitoba Conservation and Manitoba Industry and Trade.**

### **Associate Member**

**As an Associate Member of ESM your organization/business will receive timely updates of new and important information on the Manitoba Government's Household Hazardous Waste program.**

**An Associate Member may up-grade membership to full status by submitting the subscribed payment amount as indicated for their membership category.**

### **Note:**

**All non-members and ESM Associate Members *will be required* to submit a Stewardship Plan to Manitoba Conservation. All stewardship plans are subject to approval by Manitoba Conservation and open to public examination.**
